Supplemental Type Certificate

Number ST00653LA

This Certificate issued to **Honeywell International Inc.**
23500 West 105th Street
Olathe, Kansas 66061

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *(Certification basis see TCDS A16WE)*

Original Product Type Certificate Number: A16WE

Make The Boeing Company

Model B737-700/-800 Series

Description of Type Design Change: Installation of Honeywell/Racal Intermediate Gain Satellite Communication System in accordance with FAA approved Honeywell Master Data List, Engineering Specification No. ML4085635, Revision "A", dated October 14, 1998, or later FAA approved revisions of this specification.

Applicable FAA approved Honeywell Airplane Flight Manual Supplements are listed in Honeywell Master Data List, called out above.

Limitations and Conditions: The approval of this modification applies to the above noted airplane model series only. This approval should not extended to other specific airplanes of this model series on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 15, 1998

Date reissued: January 7, 1999, February 27, 2009

Date of issuance: October 27, 1998

Date amended: October 4, 1999

By direction of the Administrator
